Bus parking – event centre 800 m – blue tourist marking and green-white stripes.

Event centre – Finish 0 m

Parking – Hard floor accommodation Konice – 12 km.

PUNCHING SYSTEM

SPORTIdent for all classes.

Runners are required to check the correct SI number in the startlists. Potential changes have to be announced at the Event Office before the competition. Runners without own SI card will gain it in the Event Office.

Runner is responsible for correct clearing and checking the SI card in the area of start boxes. The end of the race is the punching of the Finish SI unit placed at the finish line. Readout will be held immediately after the finish line.

In case of SI unit failure, use mechanical punching to the designated place on the map. All runners departed from the start are required to readout their SI card in the finish, even in the case of skipping the race.

Single SI card can be used in the competition only once.

SI units **will not be** programmed in the BEACON (SI Air+) mode. Due to this, the SIAC OFF unit will be placed in the last starting box.
